The band appeared at all home football and basketball games of the season. It attended a night football game at Marion St. Mary's and gave an impressive performance during the half.

Approximately \$200 was earned for the music fund by holding a tag band concert downtown last fall.

The presentation of the Spring concert climaxed the year's Band activities.

Boys' Quartet

The quartet has a style that is strictly its own. Of course, you'll say that it is stolen from the "Gay Nineties," but we love it. There is nothing that pulls on the heart-strings more than the close harmony of four derby-laden gentlemen.

Mr. Johnston, Bill Taylor, Neal Robertson, Nelson Campbell.

Swing

The Swing Band enjoyed a busy year. As a young band composed mainly of freshmen, sophomores, and one eighth grader, not belittling the couple of Seniors, of course, this organization should have quite a future. As a whole the student body has given them full support and a little encouragement has never hurt anyone. Of course, it isn't a Glenn Miller or T. Dorsey out-

Band

fit as yet, but when the smooth strains of their theme song, "Mood Indigo" waft through the gymnasium we get a warm feeling in our hearts.

German Band

Our German Band has filled one engagement after another. At each appearance "The Hungry Five" received multiple requests to appear elsewhere. A Mount Gilead organization has offered to buy white uniforms and sponsor these boys at sales, etc. next summer.

It looked as if Coach D. B. Noble had another championship team as Mt. Gilead started the season by taking six straight games. All games were won by margins of 19 to 28 points, except Iberia, which pressed Mt. Gilead to a 57 to 49 score.

Since Christmas the Indians won three and lost six games.

Mount Gilead seemed to hit their stride February 1, against a good Marysville team. The game was lost by a score of 53 to 51 in a double overtime.

In the Mid State League, Mt. Gilead has a record of 1 won 5 lost, winning from Richwood once, losing to Marion St. Mary's and Marysville twice.

Our football season couldn't be called a success, but the team worked hard all the way.

The Indians had a new coach, Richard King, who came from Fredericktown High School. He had four weeks in which to organize the team for the Crestline game, which ended with both teams tied. It looked as if we might have a good team, but due to injuries and lack of replacements the squad was unable to gain a victory the rest of the season.

The outlook for next year is bright because many Freshmen and Sophomores gained needed experience this year. This should make them a winning team in the future.

Hi-Y

Each year the Hi-Y Club chooses a project which will be of benefit to both school and community. The main service project for this year was the free distribution of pocket size folders of the 1945-1946 basketball schedule.

The club also included several social events on its calendar during the current year. They were: a Hi-Y - Girl Reserves party, a Valentine Dance, and a Spring Dance.

On Good Friday the club members co-operated with the Girl Reserves in the presentation of the annual Easter assembly.

The group was active in the State and District Hi-Y Fellowship. Robert Hickson was secretary of District 9. Mt. Gilead was represented at Camp Nelson Dodd, the Hi-Y camp, and at all State and District Conferences.

With the pleasant memories of the formal dance, which climaxed the social activities of the last year, the Girl Reserves began another busy season.

The club has reached its highest membership this year. In November twenty-nine girls became members through informal initiation in the auditorium and formal initiation at the Baptist Church. For financing the organization, the members collected sales tax stamps, sold basketball pencils, Christmas and occasional cards. The Girl Reserves contributed to the Infantile Paralysis and the Red Cross funds.

During the Christmas season the Girl Reserves decorated the corridor with greenery and carolled in the halls. Mrs. Lorin Beck of Galion reviewed a book at the Christmas Tea held in the honor of the Alumni. The members participated in the National Girl Reserve Week in February. One of the various activities was attendance at church services. In co-operation with the Hi-Y, the girls presented a religious assembly at Easter. The annual Mother-Daughter party was the highlight of April. Two formal parties—the Senior Garden party and the Commencement dance—closed the activities of the year.

The F.F.A., headed by Mr. R. S. Beard, has had a very active schedule the past year. In September the officers of the group went to Cardington to the Officers Training School, where they learned their duties for the office they held. The Greenhand Initiation was held at the November meeting with eight members being initiated. In the county pest hunt, which was held during December and January, Mt. Gilead was in second place. On January 30 Mt. Gilead was host to Parliamentary Procedure and Public Speaking Contests. Mt. Gilead rated second place in the Parliamentary Procedure and Dale Hartpence was awarded a gold medal for winning first place in Public Speaking contests. Howard Gompf, Dale Hartpence, Jesse West, Gene Foster, Gene Lust, Frank Phillips, Hugh Wrhel,

Gaines Rinehart, and James Miller made up the Parliamentary Procedure Team. Other activities included: The manager of the Farm Bureau as speaker at the February meeting, a County Basketball tournament between F.F.A. Chapters in March, a Parents and Sons Banquet in April, and election of new officers in May. For June the boys have planned a swimming party. In July they will attend the F.F.A. camp, which is held near New Philadelphia. Their year will be completed by the showing of their projects at the county fair.

In remembrance of John Whitaker, class of 1949, whose sudden death occurred on December 30. John's faithful service in F.F.A., Band, and Choir will long be remembered by the school.

F. H. A.

The activities of the Future Homemakers of America of 1945-46 have varied. As most clubs, they started out the year with a formal and informal initiation for 23 new members. In January the first and second degrees were given to the Freshman and Sophomore girls. At that meeting the Club presented Mrs. Edward Lietwiler a gift. She resigned soon afterward. One of the ways the Club raised money was serving refreshments at the H.P.M. Party in November. The F.H.A. also sponsored the annual Christmas Dance following the Chesterville-Mt. Gilead basketball game.

A Social Activity the Club had this year was an F.H.A. and F.F.A. Hallowe'en Party with the F.F.A. acting as hosts.

A guest speaker for one of the meetings was Mrs. Charles Matti, a Missionary from China. She and her husband were recently planning to return to China. The Mt. Gilead F.H.A. Officers were hostesses to the Regional Officers in November.

The State Advisor was there and officers were elected for the Region.

As one of the F.H.A. projects, the girls packed Christmas boxes and sent them to the children in foreign countries.

Among other things, the F.H.A. is planning a Mothers' Tea. The third and fourth degrees are to be given to Juniors and Seniors who qualify this Spring. The Club is expecting to buy some furniture to improve the Home Economics room. A social event the girls are planning is a party at the close of the year for the Seniors. At that time they will elect officers for the following year.

Student Council

The Student Council had charge of the student government activities. The special activities sponsored by the Student Council included a March of Dimes Dance to raise money for the county campaign and the organization of a Junior Red Cross Chapter in both the Elementary and High School.

The Gong Staff edited six issues this year. The issues contained lists of honor students, and news of sports, assembly programs, clubs, the elementary school, original stories, and the "Snooper," or gossip column.

Carroll Irons drew the illustrations for the covers.

Dear Subscriber,

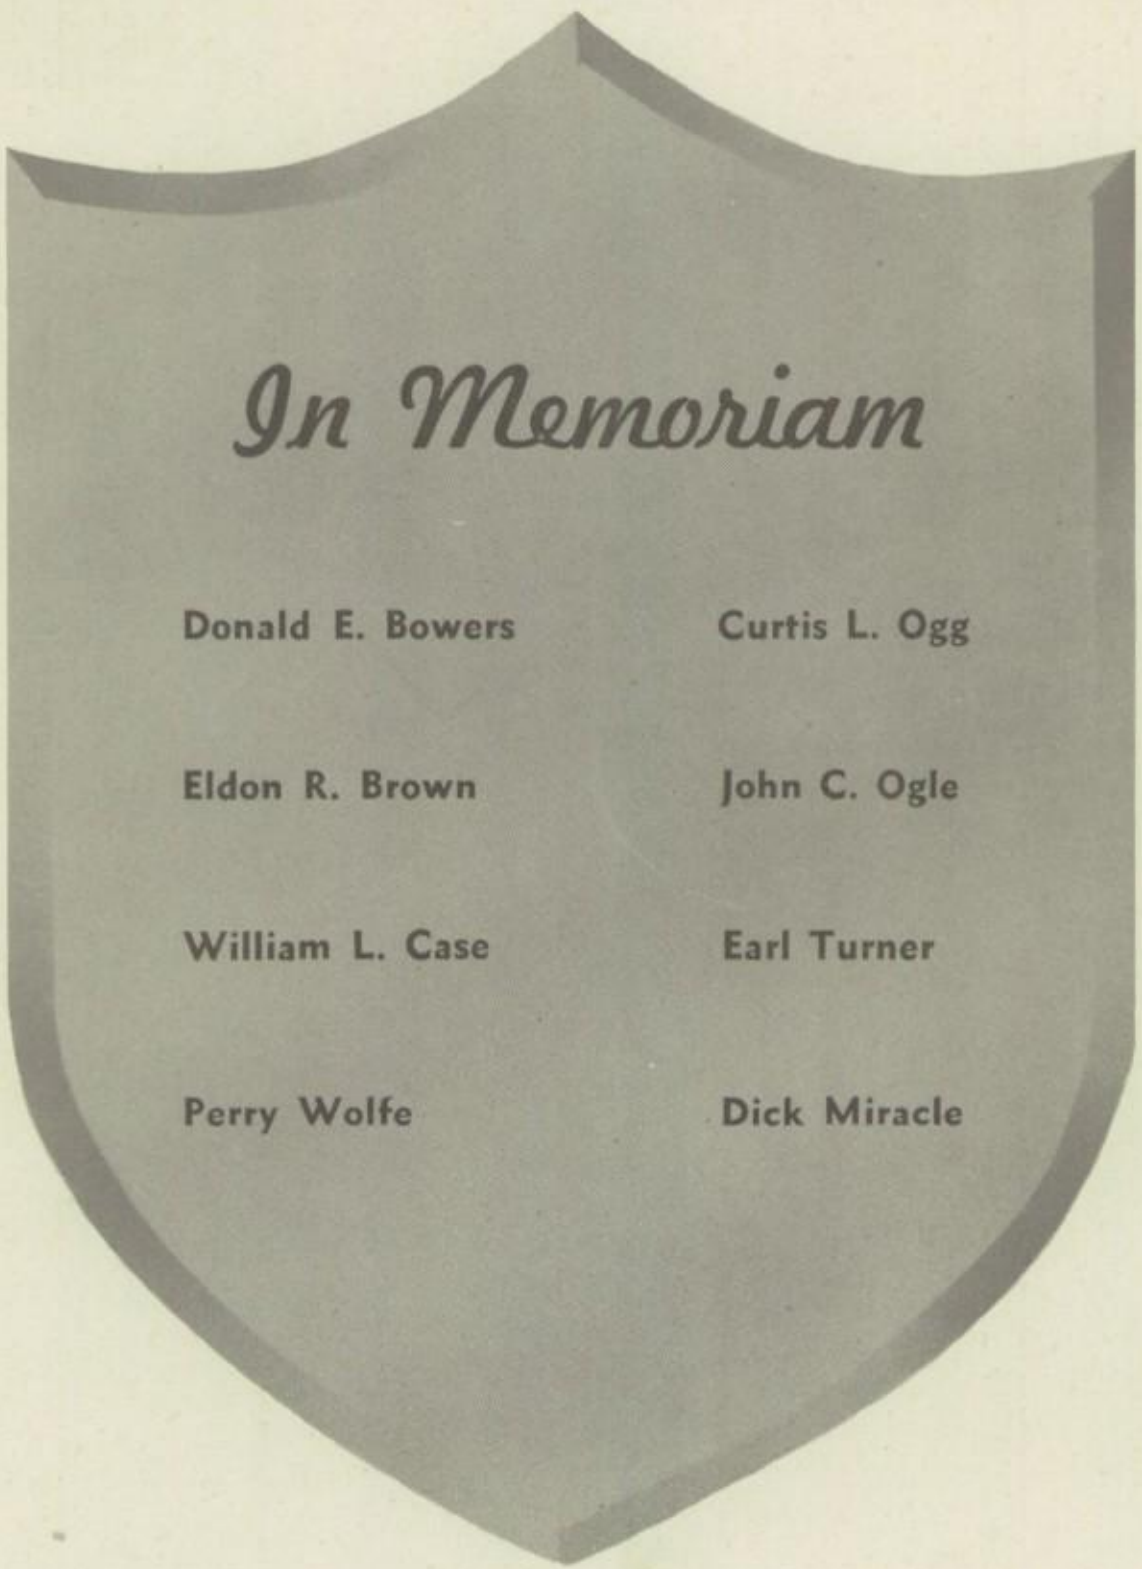

I wish to express my appreciation to you for your purchase of this year's annual, and I hope that you may enjoy and value it.

I extend my most sincere thanks to Mr. Musselman for his guidance. To the assistant editors, Brooks Dawson and Dean Phillips, many thanks are due. To the committee chairmen and the entire staff I give the credit and honor, as well as my whole hearted thanks for their loyalty and support. To those who aided us financially by advertisements, we express our gratitude and appreciation.

I hope that the Mizpah staff, composed of the entire class of 1946, has presented an annual which you will long remember.

Since The Hydraulic Press Manufacturing Company was founded sixty-nine years ago, it has faithfully served the people of Morrow County. H-P-M employees, through their cooperative efforts, have seen the H-P-M Company grow from a very small concern to the world's largest builder of hydraulic presses.

Many present H-P-M employees represent the second or third generation of their respective families who have worked at H-P-M. Such family loyalty is one of the keynotes to the success of the H-P-M Company.

During the war, The Hydraulic Press Manufacturing Company was classified as Number 16 on America's list of essential war industries. With the combined efforts of all Morrow County citizens, H-P-M can maintain its enviable position as one of America's most essential industries, thereby insuring that Morrow County will continue to be the world's headquarters for hydraulic presses.
